### Course Description

This course is designed to move learners from a stage where they have achieved the basic grammatical skills to being able to use language in a wider cultural context. At this stage, learners will be widely exposed to the main issues related to the Arab world and local culture. This course adopts a skill-based approach in which learners gain mastery of the language through the use of authentic materials taken from various sources (books, periodicals, videos, and radio documentaries). The selection of the materials is based on the complexity of the tasks and the learners' professional and personal interest. Teaching vocabulary and grammar is integrated into the skill-based activities, and it is incorporated in the class activities as an aid to overcoming any communicative problems. Teaching techniques are student-centered, with the instructor as the facilitator, and the goal of teaching to make students independent users of Arabic. ### *Overview of Attendance Policy*

**\*\*This is a real syllabus for this course, but please note that there may be changes for each semester.**

**For Modern Standard Arabic**, students are allowed to miss only **4 contact hours** (1 full day of instruction) unexcused before their overall grade is reduced. A student's grade for the course will be lowered by one "mark" for each additional unexcused absence (2 contact hours is equal to one absence). Being absent for more than 4 contact hours will result in **one letter grade deduction from the student's final grade for every 2 hours of unexcused absence beyond the allowed limit**. In other words, if a student misses an additional 2 hours of instruction (for a total of 6 hours of unexcused absences) an "A" will become "A-", after 8 total hours of unexcused absence an "A" becomes a "B+"; after 10 total hours of unexcused absence an "A" becomes a "B", etc.; etc.

**For Colloquial Arabic**, students are allowed to miss only **2 contact hours** unexcused before their overall grade is reduced. A student's grade for the course will be lowered by one "mark" for each additional unexcused absence (1 contact hour is equal to one absence). Being absent for more than 2 contact hours will result in **one letter grade deduction from the student's final grade for every 1 hour of unexcused absence beyond the allowed limit**. In other words, if a student misses an additional 1 hour of instruction (for a total of 3 hours of unexcused absences) an "A" will become "A-", after 4 total hours of unexcused absence an "A" becomes a "B+"; after 5 total hours of unexcused absence an "A" becomes a "B", etc.; etc.

An unexcused absence is one not caused by illness or otherwise not approved by AMIDEAST staff. An excused absence means written approval from the Program Manager (and sometimes a doctor) justifying the absence. Arriving late to class may also count towards an absence.

The engagement grade will depend on both the quality and the quantity of student's comments and questions and shall account for 20% of the total course grade.

#### *Summary of Attendance Policy*

1. Students are expected to do the required reading before class, volunteer for presentations and participate actively in class discussions.
2. Excused absences are determined by the lead AMIDEAST staff member; in some instances a doctor's certification may be required.
3. Deadlines must be respected, even in cases of excused absences.
4. Students are responsible for getting homework assignments they miss and submitting them in a timely manner. Assignments turned in after the due date will result in a penalty to be determined by the instructor.
5. Any assignments not submitted will result in that assignment being given a grade of 0 (zero).
6. The Attendance Policy is applied until the last day of the program.

#### Assignments

There will be daily assignments due at the beginning of class on the day assigned by the instructor. Late homework assignments may be checked by the instructor but will not be given any credit. Students are encouraged to study and work on homework assignments together. Students should follow up on any instructor's comments on the homework, and it is the students' responsibility to come to office hours to see the instructor when questions arise.

#### Quizzes

There will be two quizzes as noted in the schedule below, unless indicated otherwise by the instructor.
